Note: The tabulated median rents are published for general reference only. They are not intended for applying to a particular subdivided unit. Changes in median rents between different periods may be due to variations in the characteristics of different subdivided units being analysed, and hence **should not** be taken as necessarily indicating a general change in median rent over that period.
Please note that the tabulated median rents are **not applicable** to calculate the renewed rent for a second term tenancy of a subdivided unit and that the renewed rent is regulated under Part IVA of the Landlord and Tenant (Consolidation) Ordinance (Part IVA of the Ordinance). To learn more, please visit the Rating and Valuation Department's website which provides useful information concerning Part IVA of the Ordinance, including a "concise guide" about the second term tenancy and a tool for calculating the maximum amount of renewed rent permitted by Part IVA of the Ordinance, for reference.

技術附註

1. 資料來源

表列的分間單位租金資料是來自《業主與租客(綜合)條例》(第7章)第IVA部(條例第IVA部)適用於規管租賃的租賃通知書(表格AR2)，並涵蓋屬「房間」的分間單位在相關時期(即「年/月」)開始的規管租賃。

根據條例第IVA部，規管租賃指符合所有指明條件的租賃；而分間單位指組成建築物單位一部分的處所。表格AR2內申報的資料包括分間單位的地址、租金、租賃期開始日期及樓面面積等，並用於計算相關租金中位數。

2. 區域及地區

區域指港島、九龍及新界。地區指附錄所述的18個區。

3. 租金中位數

每月租金金額的一種平均值。50%的租金數據高於這數字，而其餘50%的租金數據低於這數字。

請注意：表列的租金中位數只供一般參考之用，並不擬應用於某特定分間單位上。不同時期的租金中位數的變化，可能會因為所分析的分間單位的質素不同而有所差異，因此**不應**一概而論視之為該時段內租金中位數的整體變化。

Technical Notes

1. Source of Information

Rental information of subdivided units as tabulated is sourced from Notices of Tenancy (Forms AR2) in respect of regulated tenancies in accordance with Part IVA of the Landlord and Tenant (Consolidation) Ordinance (Cap.7) (Part IVA of the Ordinance), covering regulated tenancies of subdivided units classified as "Room" that commenced in the relevant period (i.e. "Year / Month").

According to Part IVA of the Ordinance, regulated tenancy means a tenancy which fulfills all of the specified conditions, and subdivided unit means premises that form part of a unit of a building. The information reported in Form AR2 includes the address, monthly rent, commencement date of tenancy period and floor area of the subdivided unit, etc., and is used for calculating the relevant median rent.

2. Areas and Districts

Areas refer to Hong Kong, Kowloon and the New Territories. Districts refer to the 18 districts as described in the Appendix.

3. Median Rents

This denotes the average monthly rental figure such that the rents of 50% of the total number of records were above that figure and the other 50% were below it.

Please note : The tabulated median rents are published for general reference only. They are not intended for applying to a particular subdivided unit. Changes in median rents between different periods may be due to variations in the characteristics of different subdivided units being analysed, and hence should **not** be taken as necessarily indicating a general change in median rent over that period.

The tabulated median rents are not applicable to calculate the renewed rent for a second term tenancy of a subdivided unit and that the renewed rent is regulated under Part IVA of the Landlord and Tenant (Consolidation) Ordinance (Part IVA of the Ordinance). To learn more, please visit the Rating and Valuation Department's website which provides useful information concerning Part IVA of the Ordinance, including a "concise guide" about the second term tenancy and a tool for calculating the maximum amount of renewed rent permitted by Part IVA of the Ordinance, for reference.

4. Rounding of Figures

The tabulated dollar values are rounded to the nearest integer, where appropriate.
